

## HRF MEDAL OF HONOUR NOMINATION FORM

The HRF Medal of Honour is granted by the Health Research Foundation (HRF) of Innovative Medicines Canada on an annual basis. This award recognizes outstanding individuals whose research and/or contribution to public policies supportive of research and development in Canada have achieved international recognition.

Nominees must be Canadian residents whose work/research has been performed in Canada and has made a truly notable or pivotal contribution to the advancement of knowledge in the health sciences, health policy and/or the improvement of therapeutics and healthcare. Recipients can originate from a variety of fields and sectors including patient groups, educators, journalists, industry, and the public and non-profit sectors.

The \$20,000 prize will be invested back into innovative health research at the Canadian academic facility of the recipient's choice to promote further life sciences research in Canada. More information about the award can be obtained at [www.hrf-frs.com](http://www.hrf-frs.com).
